Rainbow Village Silent Auction Donations

As the making of the famous movie many items went into the movie to build the illusion of being over the rainbow. A successful silent auction depends on support from the community and its guests. Please consider assisting us in creating a Rainbow Village Silent Auction filled with wonderful items and make the Wizard of Eyes Gala Fundraiser, the highlight of the Mary Culver Home Wizard of Eyes Celebration a true success.

Thank you ahead of time for your support by being a Rainbow Donor. As a Rainbow Donor your name and contribution will be listed in the Program Book and your heart will feel proud that you helped make a positive difference in these elderly visually-impaired ladies' lives. To help offset the cost of the Program Book program ads are available for a nominal fee. Won't you consider adding your personal/business message to the Celebration (see Program Ad Page for details).
